

Science Workshop 2024

7 – 8 March 2024 at „Haus der Wissenschaft“ in Bremen

Continued national development of Polarstern operations until 2027 and well beyond

An initiative of:

National Committee SCAR/IASC

*Alfred Wegener Institute, Helmholtz Centre for Polar and Marine Research
DFG priority programme "Antarctic Research"*

The workshop will be a forum for sharing information about upcoming expeditions, improving collaboration among polar researchers, and discussing ideas for new expeditions.

Contents:

- What's the future of Polarstern I and II?
- Presentation of Polarstern operations until 2027
- Ideas for secondary use proposals
- International challenges and strategies in polar research and their implementation after 2027 (→ PS expeditions)
- Project ideas for marine polar expeditions
- What is the future of marine polar research in the current geopolitical landscape?
